LFSA - Housing Management for Chisel/Hexagon/AmicusHorizon

It's that time of the year for our **Annual General Meeting**, which will be held in our office at Brockley Rd. This year has seen a major overhaul and refit of all of the rooms, our office included, many thanks to Chisel for the rest as we now have conference room big enough for an **AGM**....

The good news or better news is we can push the boat out a little on the food as we don't have to book a hall. So, if you've never been to an AGM before this is the one to get to, definitely not to be missed, if you like good food..!?

As part of our birthday celebrations we are inviting everyone who attends our AGM out for a Slap-Up meal in the local hostelry. In days past, judging by extracts from our family tree, it was quite usual to have 30-40 people turn up for committee meetings, which ended in a tavern. Maybe we can revive this spirit for just one meeting in a year and break bread together while enjoying some wine or beer..!

AGM - Tuesday 30th September 2014 - 7.00pm

Have you considered becoming a committee member? If so, this will be the night to introduce yourself and discover some of the benefits of joining a team wanting to do some good. We meet once a month on a Tuesday night for an hour or two, there are no special qualifications needed, just some good sense and perhaps a social concern for others. I believe we all have skills that differ to others and its this contrast that brings life to our cause. Perhaps your skill is yet still uncovered and just needs encouragement and the right environment to flourish. Surprise yourself by finding out, an hour or two a month is all it will take, give us a try..

Hope to meet you on the night. Jos Editor

THE ORCHARD

This is your invite to dinner and a drink to celebrate in our 40th year. You will receive your voucher at this years AGM, hope to see you there.

The restaurant is across the road from the office, so no problems finding it, and last orders are at 10pm. A set menu to the value of your voucher has been specially prepared for our night, but you can still select from the main menu if you choose, up to £20. Someone from committee will be organising drinks and there maybe a 'Cake' for afters! The Orchard really does cater for all, wheel chair access, baby changing room, children and even dogs. (Although Molly will be staying at home..) The night sounds great, we only need you to be there and it will be, so come and share in a good time and some great food. Jos Chair

Emergency Number Changes :

The emergency number we were using has been terminated, in future you need only call our office number to report any problems. If you call out of office hours and it's an urgent problem you will be directed to press button 2 which will connect you as before. If it's not urgent you leave a message. The same service but only one number to remember...

Below are some snaps one of the street parties held last June all over London. We're looking for your photos to put on our web-site, anything you'd care to share with us, only taken in Lewisham. We don't have a prize as such, only a pride of place to show them off. Send them in attached to an e-mail and we'll up load them on our 'Photo Board', or if really good the front page scroll.
